Dear Business Owner:

Thank you for taking the time to consider sponsoring the Ocean City High School Crew Team, currently the only high school crew team representing Cape May County, for the 2023-2024 season.

Ocean City Crew Boosters is a volunteer-operated 501(c)3 organization that relies primarily on fundraising and athletic dues to cover expenses for our team of 75-100 athletes. All sponsorship money raised is used to offset costs that include: coaching expenses, boat and equipment purchases, ongoing maintenance of existing equipment and competition entry fees. With help from your sponsorship, our rowers are able to compete at the highest levels, with the best equipment and support possible.

Our rowers are dedicated to being the best in their sport. Throughout the season, they train up to six days a week, most of those on the strong currents of the back bays of Ocean City, all while maintaining their school work and college-competitive GPA's. In seasons past, our rowers won or placed in several prestigious races. With your help, we hope to be just as competitive this season.

Thank you for taking the time to review the enclosed, tax-deductible, sponsorship levels for donation to our non-profit organization in support of student-athlete rowers. Thank you, in advance, for your consideration and generosity.

Sincerely,

Ocean City Crew Boosters
