Dear Business Owner:

Thank you for taking the time to consider sponsoring the Ocean City High School Crew Team for our 2021-2022 season, especially during this difficult time of Covid. 2022 marks our 18th year in competition. We have become one of the largest sports teams at OCHS ranging from 75 - 100 rowers annually. We are also currently the only crew team representing all of Cape May County.

The crew team is a volunteer operated 501(c)3 organization that relies primarily on fundraising and athletic dues to cover expenses. All monies raised go to covering the costs that include coaching expenses, boat and equipment purchases, ongoing maintenance of existing equipment and competition entry fees. With help from your sponsorship, we will be able to offset the costs for these items to our rowers and their families and allow our athletes to compete at the highest levels with the best equipment and support possible.

Our rowers are dedicated to being the best in their sport. Throughout the season, they train up to six days a week, most of those on the strong currents of the back bays of Ocean City all while maintaining their school work and college competitive GPA's.

In seasons past, our rowers won or placed in several prestigious races that included: Philadelphia City Championships, County Championships, Stotesbury Regatta and SRAA National Championship Regatta. Our rowers were also named by the Press of Atlantic City as 2019 All Star Boats as well as ranked among the Elite 11 Teams of All Time. This season, we hope that we will be just as competitive with your help.

We hope that you will review the enclosed sponsorship levels and consider making a tax deductible donation to our non-profit organization and help us support our hard working rowers. Any level you choose will go a long way to help our athletes in their pursuits this season. During these trying times, your donations are appreciated even more.

Thank you in advance for your consideration and generosity.

The Ocean City Crew Boosters

OCEAN CITY HIGH SCHOOL CREW TEAM CORPORATE SPONSORSHIP LEVELS AND BENEFITS
